HAARLEM, December 14, 1966

Dear Dr. Stenzel,

I hope you are well and your work on the Ostreidae for the Treatise making good progress.

As another prolongation of the export licence of the specimens you have on loan from our museum until the spring of 1967 may cause some difficulties, I regret to have to ask you to return them well in time in the next year. Sometimes such shipments take some months to reach us and, therefore, I must insist that you send them back before April 1, 1967. I am very sorry to have to be so formal.

With all best wishes for ~~Xmas~~ and the New Year  
yours sincerely

(C. O. van Regteren Altena)
