

April 3, 1947

Mr. D. Hove Bargle  
U. S. Geological Survey  
213 First National Building  
Tuscaloosa, Alabama

Dear Bargle:

Thank you for the very nice echinoids. They come in very handy. You are herewith elected charter member of the Society for support of minor institutions of learning. If you ever run into Tertiary material, I will see to it that you get knighted. What are you doing these days on the Survey?

With best regards,

Sincerely yours,

H. B. STENZEL  
Geologist
