Dear Dunsan:

I received your letter of July 1 and also this application for membership in the A.A.P.G. It is with some hesitation that I recommend you. But I presume you will pass. You sure manage to get around and I hope you like it in Pittsburgh.

I am right now on the jump between field work and have very little time otherwise I would right you a much longer letter.

Please find enclosed your application and fill in the date before you send it off.

With best personal regards.

Sincerely yours,

H. B. Stenzel, Geologist
