

How to attend the poster session

- For the poster session, you will hear 1-minute pitches from each presenter and then be assigned to break-out rooms where you will hear the presenter discuss their work.
- You will be permitted to unmute your mic when you have a question. The poster presenter will be the host of that break-out room. You will be rotated from poster to poster by the Zoom Host.
- If you wish to attend a different poster before you are rotated out, click “Leave Breakout Room”.
