SCHOOL OF GEOLOGY

Dr. H. B. Stenzel
Bureau of Economic Geology
University of Texas
Austin, Texas

Dear Doctor Stenzel:

I want to thank you for your determination of the Aturia, and I am very glad to know that you consider the discovery important. Also of interest in our collections from Pendleton is a species of Linthia. I think this echinoid has never been reported before from the Wilcox.

Thanking you again, I am

Very truly yours

Jack Barry
