Date project(s) will be held ongoing - next major one Nov. 3 Expected attendance 80

Date of first anticipated purchase (3 weeks prior to when you need it) 10/14

Brief project description The climbing club has ongoing trips every weekend, with two major trips in the fall and longer ones during the holiday breaks. Of course not all members are expected or required to attend, since the trips are frequent. We have gotten many new members, and would like to purchase safety equipment.

Project expenses: (please put into excel spreadsheet if your expenses on separate sheet)

Please list vendors and amounts and items to be purchased from each on a separate page.

Example:

30 T-shirts @ \$7.50 = \$225 (price quote from Alejandro Vasquez at Aztec Screen Printing)

Funds raised (include all revenue, secured or anticipated, including estimates from ticket sales)

At present, our only revenue is from membership dues. We would like to raise some revenue from T-shirt sales, but have not yet decided how much.

Amount requested from SG \$ 421 (but we would settle for less!)

Description of what you want SG to buy for you safety equipment:  
1 large Metolius crash pad, a pair of 2-way radios  
20 T-shirts (3-color)

Please note that you will need to sign up for a 15-minute interview when you turn this in to the SG office for September 23, 28 or 29. No application will be accepted without attendance at an information session on September 13, 19 or 21. Thank you for your efforts.
