Dear Doc Starzel,

Hope this finds you fully recovered from your recent illness. Seems to me you were planning to start on your new job around the first of this month.

On the 16th of last month I tried to find you but failed. When I got no answer on the phone I drove out to find your home later that day. Time caught me short so I had to go on. However, I plan to come to Houston again in 2-3 weeks. If you are in Houston and would be so kind, Doc Starzel,

I would appreciate hearing from you. If you would give me your directions with relation to Post Oak Rd and Westheimer Rd, I'm sure I could find you. I would like very much to pay you a visit.

Outside weather down here in south Texas is rather warm. In the house or car with modern day air-conditioning, it's quite comfortable. I'm really enjoying my vacation.

Hope to hear from you and see you soon.

Sincerely,
Ripple
