Dr. Jean-Pierre Lehman, Directeur
Institut de Paleontologie du Muséum d'Histoire Naturelle
8, Rue de Buffon
Paris V^e, France

Dear Professor Lehman:

After returning to Texas, I hasten to thank you again for the help and hospitality which you and your staff extended to me during my studies at the Museum. I am very impressed by the fine equipment and quarters your Institute has and by the efficiency and enthusiasm of your staff. Needless to say, my work was aided very much.

If I can be of any help to you or your staff, please call on me. I can send you some Cretaceous and Tertiary invertebrate fossils from Texas.

With best wishes,

Sincerely,

H. B. Stenzel
