Dr. H. B. Stenzel  
Louisiana State University  
Department of Geology  
Baton Rouge, Louisiana 70803

Dear Dr. Stenzel:

I was most happy to receive your letter, and I am more than happy to comply with your conditions.

I hope to be at Shell Bluff within the next month or so, and I'll make a point of getting good specimens of Crassostrea gigantissima (Finch) for you.

Sincerely yours,

*William E. Marsalis*
