Dear Sir:

We greatly regret that we cannot comply
with your request of May 3rd for the following
inter-library loan:

Monterosato, T. Nomenclatura generica e specifica
di alcune Conchiglie mediterranee pel Marchese di
Monterosato Palermo, 1884,

since this is in constant use in our Conchological
Department. However, it is our wish to cooperate
with you to the fullest extent possible, and we
should be glad to send you a photostat of any portion
of the book; and Dr. Pilsbry, the head of the depart-
ment, has advised us that he would be glad to extract
any information that would be useful to you.

Sincerely yours,

Venia T. Phillips
