

Feb 15 1938

Dear Stenzel —

I appreciate your offer to nominate me to the S.S.A.

In regard to nautiloids, I have an Alvinia from the Rakkaw at Upton you might like to see. I stumbled over it while wandering up the creek a couple of weeks ago.

I hope to be over within the next couple of weeks to pick up that Tertiary Catalogue with the hope of using it and doing a little work on it.

Best Regards

F.E.T.

4 - polite

- 1.) Statement of the measure and conditions of your acquaintance with nominee
- 2.) Statement of the specific evaluation of the contributions to science made by the nominee with special reference to
 - a) mode of treatment
