THE INSTITUTE FOR ADVANCED STUDY

PRINCETON, NEW JERSEY

Dear Bennett,

Here is a check for fifteen dollars to pay for the copy of Scripta Minoa II which you passed on to me.

We are grateful to you for thus making it easy for us to secure a copy, especially since it seems likely that we shall often have to refer to it.

We hope the rest of your trip went off well and that you are now able to make progress with the Mycenaean tablets. Margaret

Daw is doing a drawing of the man
on the back of 106 and I have had
a letter from Professor Kramer
giving references to drawings (including
men) on Babylonian tablets. We
must find more at My'cenee.

We expect Carl Blegen here
this next week end from December
5th onwards. He and I have many
things to talk over.

With best wishes for us
With

Yours sincerely

Alan Wace
