Dear Dr. Warthen:

With reference to Ray Moore's letter of March 9 addressed to you and concerning the personnel of the Committee on Zoological Nomenclature, I am writing a letter to Ray declining the honor. Towards the end of last year I had great difficulty in keeping up with the work of that Committee and had to fall behind. It would be unfair to the Committee and to me to accept as much as I would otherwise like to.

With best regards,

Very sincerely yours,

H. B. Stenzel
