

Dear Doc,

Enclosed are several color transparencies of Claiborne Bluff in Alabama. They can be mounted in glass & projected for your class this coming semester.

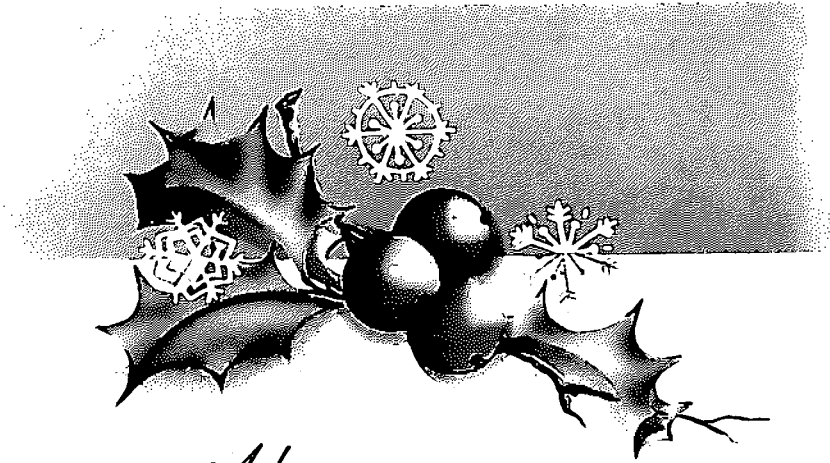

Flannice, Thurgin and E. Alabama galages is keeping me busy these days & there seems to be no end to the work that could be done.

We are very anxious for our offspring to arrive which shouldn't be over two weeks off now.

Our regards to Mrs. Stanzel and the girls.

Sincerely,
A. L.

P.S. I think you can recognize the positions and locations of the transparencies.
