Ms. Maria del Carmen Perrilliat Montoya
Instituto de Geologia
Ciudad Universitaria
Mexico 20, D. F.
Mexico

Dear Ms. Perrilliat:

Thank you for sending me a copy of your "Moluscos del
Mioceno de la Cuenca Salina del Istmo de Tehuantepec, Mexico."

The plates are very well done and the book is interesting
to me.

Very truly yours,

H. B. Stenzel
