Dear Sir:

Professor Alfred Rosenkrantz has requested us to send you a catalogue on geology, and we have a few days ago sent you our last issued catalogue on that subject. However, it is a few years old, and consequently all prices are not valid today. At the same time we have enclosed our catalogue on periodicals, which contains some series on this science. We have placed your name on our list for catalogues on geology.

We should be very glad to receive your orders, and remain,

Yours very truly,
Herm. H.J. Lyngge & Søn
