Mr. F. W. Bartlett
Socony Vacuum Oil Co.
26 Broadway
New York 4, New York

Dear Mr. Bartlett:

I wish to thank you for the attention you have given my letter of May 7. Of course, I remember with pleasure our association in Houston in 1937. We have met since at some of the AAFG conventions.

As you know Dr. Jablonski has taken up the matter of a possible place for me and probably something can be worked out.

With best regards.

Very truly yours

H. B. Stenzel
