Dear Dr. Stenzel:

Your suggestion of coming to the Geophysical Laboratory after the A.A.P.G. meetings sounds fine. The week of the A.A.P.G. meetings I'll be out of the lab, but I'll be here May 2 and on. Let me know if this is satisfactory. If not, perhaps I can stop by Houston later in May on my way back from California.

Sincerely,

*P. E. Hare*
