Dear Dr. Bennett,

Many thanks for the new edition of NESTOR, which arrived these days, and for your postcard.-As to your question: my present address will be permanent, at least for the time being. If I should change quarters, which might happen within the next four or five months, I shall notify you in due time.- The last letter I sent to Dr. Heubeck's old address was not returned, so I think it did reach him.

Thank you very much for your wishes on my new position, I do hope I can be of some help in the field of Minoan and Mycenaean that way.

With best wishes for a happy and successful 1960

Sincerely yours

Heinz Peif
