

of Texas W.

I have some fine *echinoid*
stems. I hope to send you ^{some} from
Eastland.

Sincerely

Mrs. Geo. W. Harris
I insured what I sent.

Dr. Stenzel; - Last week I
sent you some "Farams." I wish
you my sister was in Eastland
and Mr. Burg Quinn gave her
a large box of of Ant bed.
and I have sat for hours pick-
ing out *Fusilinds*, Coral and
Briggo-Also, my pretty *Crinoid*
stems - all I've ever found more
plain. They came from near
Eastland Oil fields.

I stated in my letter before
addressed to you as Sutherland
that I have not been able
to go on any trips - If Son
can go with me I can go when
it turns cold.

Am having some trouble
from my heart - have not
gone alone since April.
Am glad Houston Dr.
has been made part
