Dr. George Engerrand  
University of Texas  
Austin, Texas

Dear Dr. Engerrand:

I would like to inquire whether you still have those French Tertiary fossils for sale. We might be interested in some more of these wonderful fossils. Should you not have any more such fossils, could you then perhaps give me the address of someone in France who would like to exchange French Tertiary for Texas Tertiary fossils.

Sincerely yours

H.B. Stenzel  
Asst. Prof. of Geology
