Dear Henryk:

I am terribly sorry that we did not get together during the recent AAPG convention. This came during the time when I was undergoing budget review for the next fiscal year, and I was only able to spend three hours on a Sunday afternoon attending a committee meeting. I did, however, call your room several times without success. If there is anything that could be accomplished by correspondence, I do hope you will drop me a line.

With best regards, I remain

Cordially yours,

*Claude*
