

January 4, 1941

Mr. E. Milby Burton, Director
The Charleston Museum
Charleston, South Carolina

Dear Mr. Burton:

Please let me thank you for your kind letter of
December 19.

I would be very glad to examine the material col-
lected by the late Dr. Earle Sloan under whatever condi-
tion you would prefer. I know that some of that material
has been very interesting.

Today, I would like to ask you about the Elliott
Society in Charleston. Does it still have a library of
its own? If so, who is the librarian in charge? If not,
where is the library being kept now? I would like to
borrow some of the old publications that society is said
to have.

With many thanks,

Sincerely yours,

H. B. Stenzel, Geologist
