UNIVERSITY STATION · AUSTIN 12, TEXAS

Messrs. W. J. Battle  
A. E. Cooper  
A. Moffit  
R. L. White

Gentlemen:

In response to my communication of March 2 to Mr. Eckhardt I have had a reply, a copy of which is enclosed herewith.

I believe it will be impossible for this committee to make any additional recommendations to the President's office until the estimates are furnished. The delay simply reflects that much general University progress is being made and some sections of the University overwhelmed by tasks already assigned.

If there should be any matter which any member of the committee feels should be taken up before the estimates are received, I shall be glad to hear from him.

Thanking you for your past assistance, I am

Sincerely yours,
