Gentlemen:

There is to be a monthly meeting of the South Texas Geological Society in the ballroom of the St. Anthony Hotel on Friday evening, July 11. The dinner is to be at 7:00 o'clock. If convenient, I should like for each one of you to be present in a corner of the ballroom at 6:30 that evening to discuss plans of procedure for the Geologic Names and Correlations Committee, of which you are members.

I am sending Ed. W. Owen a copy of this letter in the hope that he can meet with us at that hour to pass on to us his ideas as to our duties. He was chairman of the Committee last year.

I am also sending a copy of this letter to W. Armstrong Price, who is chairman of the A. A. P. G. Sub-Committee on Geologic Names and Correlations and it is hoped that he can be present to discuss with us plans for co-operation between these two committees.

Yours very truly,

Chas. H. Row, Chairman  
Geologic Names and Correlations  
Committee
