

November 19, 1940

Dr. John T. Lonsdale
Department of Geology
Iowa State College
Ames, Iowa

Dear Dr. Lonsdale:

Please accept my thanks for the reprint of "Igneous Rocks of the Terlingua-Solitario Region, Texas" which you were so kind to send to me recently. I shall take time out to read it very carefully. You certainly have done an immense amount of work for that paper.

Sincerely yours,

H. B. Stenzel, Geologist
