

7/4/43 - No. 12

TOWELS FOR MINERS

In view of conflicting statements which have appeared in the press recently, the Board of Trade wish to make it clear that towels supplied to miners through their pithead baths, or through colliery officers or canteens, are obtainable only against the surrender of the appropriate coupons. The rates are: Two coupons for towels over six but not over twelve square feet in area, and three coupons for larger towels.
