Brief project description: **Palestinian Refugees in the Mid-East Peace Process**
Palestinian Refugees have been in the media for a long time, and more recently in the ongoing Palestinian-Israeli peace talks. There has been little discussion of this particular topic at the University of Texas. A view on this topic from a Palestinian historian and a Jewish international law professor is essential to a better understanding of the issue, a just peace solution in the area, and a more general understanding of the situation in the Middle East.

Project expenses: please see attached spreadsheet

Funds raised: We will submit a funding request to the law school to cover part of the expenses (\$500), and we will fundraise the rest.

Amount requested from SG \$2000

Description of what you want SG to buy for you Americans For a Free Palestine is requesting funding for one speaker fees for the April 4, 2001 panel discussion.
