

2004 MAP PUNTA DE CACAO RUINS

Mapped during the 2001, 2002, 2003, and 2004 field seasons of the UIW Punta de Cacao Archaeological Project. Field crews included Jaclyn Abbe, Larry Benson, Alexandra Miller, Eugene "Tom" O'Brien, Candace Pruett, Evans Roberts III, Hubert Robichaux, Charles "Chuck" Robinson, George Rodriguez, Benjamin Smyth, and Jessica Vela of the UIW project, and Jose Aquino, Abraham Gonzalez, Manuel Calhama, Armando Castañero, Arturo Magaña, Jose Queznel, Gregorio Rodriguez, and Carlos Sanchez of the Gallon Jug Agroindustries. PLAZA A, the Plaza B Complex, the ballcourt, and a few other nearby structures were mapped in 1990 by the Maya Research Program under the direction of Thomas H. Cadejian. Digital cartography by Adela Goni. The UIW project's mapping director is Ms. Candace Pruett.
