Authors: Tepera Holman, Nicole Trinh, Michael Windle

Sponsors: Tepera Holman, Cabell Massey, Nicole Trinh, Michael Windle

-Section 1 of Legislation: Change time of submission to 11:59 p.m. Saturday rather than 11:59 Sunday.

-Requirement to author no less than 1 piece of legislation per semester

-Requirement for reps to participate in at least 2 student government sponsored events

Stanis-Why is it good to author or attend other events?

-to encourage more active participation for SG events and to keep representatives abreast of issues.

-Modi: Section 11-Could the one week notification period be extended to one month? What if events are already in place?

-Del Sol: Could a follow-up requirement be added to the author stipulations?

-Gates: If you don't go to two events within a given month is that when the absence occurs?

Stanis: Who is holding who accountable? How do you foresee enforcing these rules?

Trinh: requires representatives to pursue more initiatives, allows representatives to be active, producing more representative responsibilities.

We (representatives) are responsible to themselves and this legislation will aid in bringing this issue to light.
