

April 8, 1969

Professor Claude C. Albritton
3436 University Boulevard
Dallas, Texas 75205

Dear Claude:

I shall be in Dallas for the A.A.P.G. convention. My reservations are at the Statler Hilton Hotel. If you could set aside one-half to one hour for a conference with me during that time I would appreciate it very much. Your advice and knowledge is needed.

My services here as a Visiting Professor will come to an end in June 1969, when I reach mandatory retirement age. The place has been very generous and remarkable cordial.

With best regards.

Sincerely yours,

Henryk B. Stenzel
Visiting Professor
of Geology
