Dear Dr. Stenzel:

Just a note to let you know that the shipment of Ostreas and Gryphaeas arrived here in good condition. We are glad if the material was of use for your studies. Thank you for including the "bonus" specimens of fossil oysters. Dr. Muller was pleased to see them.

Sincerely,

A handwritten signature in cursive script that reads "Myra Keen". The letters are fluid and connected, with a prominent loop at the end of the last name.
