Dr. Norman F. Sohl  
U. S. National Museum Room #E-501  
Washington, D. C.

Dear Norm:

Yesterday I sent you and Erle xerox copies of several pages out of my as yet unpublished manuscript. They concern Lopha and "Dendostrea" about which Erle had asked me.

Today two of your publications arrived here, and I want to thank you for them. I did not know you worked on chitons.

By the way, the package of reprints was misaddressed to Shell Development Company, which I left in 1967. You might correct your address list.

Best wishes.

Sincerely,

H. B. Stenzel
