Date of first anticipated purchase (3 weeks prior to when you need it): FALL 2002

1. Brief project description:

KVR-TV, COLLEGE Television for Austin, is in need of an additional form of producing live broadcasts. The purchase of a portable microwave dish would allow the creation of UT-related programming previously not possible at KVR-TV.

2. Project Expenses: (Please put into an excel spreadsheet if attaching your expenses on separate sheet)

The purchase of the portable device and fixed receiving device.

3. Please list vendors and amount and items to be purchased from each on a separate page
Example: 30 T-shirts @ \$7.50 = \$225 (price quote from Alejandro Vasquez at Aztec Screen Printing)

Items: Receiving antenna, Transmitting antenna

Vendor: Not specific now; prices will likely decrease by time of purchase

Average amount needed to cover cost of purchase: \$4000.00

4. Funds raised to date: (Include all revenue, secured or anticipated, amounts received or expected in donations, including estimates from ticket sales.)

The amount we are asking for is enough to purchase the equipment.

KVR will raise additional funds to cover the cost of installation and minor equipment, which may reach close to an additional \$2000.00.

5. Amount requested from SG \$4000.00

6. Specific description of what you want SG to buy for you
