Dear Dr. Stenzel,

My cordial thanks for your letters of March 29 and April 14, as well as for the trouble you have taken concerning the material from Antigua.

Following your advice I shall write to Mr.Noel K.Brown Jr. of the Gulf Oil Corporation, whom I personally know.

Dr. Paul Brönnimann, who is at present in Cyrenaica, brought some collections from Cuba to Basel. There ist still some hope of recovering Dr.Gravell's holotypes.

With kind regards and best wishes,

sincerely

Hans Kugler
