Dear Dr. Stenzel:

I am in receipt of your letter of the 25th. inst. inquiring about the map of Leon County.

We have been doing our best to locate this map and the party from whom we expect to obtain it has not been in town. I expect to leave town this coming week but will ask one of the boys in the office to rush this matter through and send you a cloth print as soon as possible.

I am sure you will enjoy working the geology of Leon County and trust that some day I may have the pleasure of seeing some of it with you in the field.

With kind regards, I am,

Very truly yours,

S. A. Thompson
