Mr. P. E. Turner, Lt., USNR
c/o U. S. Navy Pre-Flight School
Chapel Hill, North Carolina

Dear Turner :

I am sending two notices about Curt's death to the A.A.P.G. Bulletin and SCIENCE. They are the only two journals that publish short notices of that nature. The G.S.A., the A.A.P.G., and possibly SCIENCE would take obituaries. The former two should have obituary of about two to three pages and SCIENCE should have an obituary of perhaps a column or one column in a two-column page. I hope you can write the obituary.

Lonsdale has just been confirmed for the directorship of the Bureau.

Best regards,

Sincerely,

H. B. Stenzel
