Dr. J. R. Schramm
University of Pennsylvania
Botanical Laboratory
Philadelphia, Pennsylvania

Dear Dr. Schramm:

I will be very happy to have a separate on your paper on
Cost Analysis. I presume it will arrive in the near future.

I was afraid that you would not be able to give the names
of the Journals in your chart and I realize that it would
be unnecessarily difficult to do so.

With many thanks,

Sincerely yours,

H. B. Stenzel, Geologist
