Dr. W. S. Adkins
Shell Petroleum Corporation
Houston, Texas

Dear Adkins:

I have a nautiloid here which is labeled in your handwriting, K.A.U., Little Walnut Creek near Cameron Road, Travis County, August, 1935. I would like for you to look at this specimen next time you are here in town. I would like to describe the specimen and discuss its origin with you.

With best regards,

Sincerely yours,

F. B. Stenzel, Geologist
