Dear Dr. Stenzel:

In Harris, 1919, BAP, v. 6, No. 31, p. 63 under Leda magna var. lisbonensis Aldrich, Harris has under Localities - "St. Augustine". Do you not think that San Augustine is meant? We cannot find a "St. Augustine" but can find San Augustine, San Augustine Co., Texas, which could be the place meant.

We are in the last stages of checking data in the pelecypod manuscript of the Eocene Catalogue.

Thanking you,

Sincerely,

(Mrs.) Katherine V.W. Palmer,
DIRECTOR
