Dear Stenzel:

On June 22nd I wrote you regarding the geological map of Leon County which was copied by our Geological Department and which was sent to you by mistake. Perhaps you have been in the field and have not as yet received my letter. As this geological map is regarded as Company property I am anxious to have it back in the files, where of course it is regarded as confidential, and I shall thank you to return it to me at the earliest possible date.

Very truly yours,

B. Coleman Penick.
