

Dear Dr. Stenzel

10/21/47

Thank you for  
your good letter of Sept. 29/47  
Your suggestion re paleontologists  
is one we shall definitely adopt.  
We invertebrate workers whether on  
fossil or recent forms need to  
get and stick together. You will  
be kept posted on developments

W. L. Schmitt,  
U.S. Nat'l Museum

THIS SIDE OF CARD IS FOR ADDRESS

Prof. H. B. Stensel  
Bldg. of Economic Geology  
University Station, Box B.
