Emmett:

Jose is safely here now. he has been going through ventrisiana and Koberiana witha nd without me. From the list of letters supposedly provided by you to PASP, missing are:

30.vii.55, 18.x.55, 18.xi.55, 21.xi.55, 2.xii.55, 8.xii.55. Is there any cahnce that you retained these for some reason. It is odd to have such an end-of-run missing.

Hope all else is fine.

Tom
