

December 14. 1944.

Dr. Everett C. Olson
Secretary, Dept. Geology and Paleontology
University of Chicago
Chicago, Illinois

Dear Doctor Olson:

I understand that on account of the departure of Dr. Cronis the department of geology and paleontology has a vacancy. Are applications for this place welcome? If so to whom should they be sent? Any information you may give me will be appreciated.

Very truly yours

H.B. Stensel, Geologist
