

A.R. 15
Sportsman-like conduct

Failed
11-15-94

WHEREAS: In recent football games, many complaints have surfaced about the conduct of spectators.

WHEREAS: Spectators from other universities have endured verbal harassment, physical threats, and have had to avoid flying objects just to watch a game.

WHEREAS: Many alumni will not attend games because they do not wish themselves or their children to be around that kind of behavior.

WHEREAS: Behavior of this type is not representative of The University of Texas.

BE IT RESOLVED, BY THE STUDENTS' ASSOCIATION OF THE UNIVERSITY OF TEXAS,

We implore students at this university to behave civilly at all sporting events. Unsportsmanlike conduct is very irresponsible, and does not reflect well on how our University is viewed by people in other universities.
