

H.B.Stenzel

July 21.1937.

C.H.White

Please return the mosaics as soon as possible, also the large TH & TK map. I need the mosaics to write the report on my work.

Would it be possible to obtain a copy of the report of Sumner's? I can use his stratigraphy and lithology very well for my report.

The enclosed letter to Elliott I was unable to forward, because I do not know his exact address.
