PETER MENNIN, PRESIDENT
LINCOLN CENTER, NEW YORK, N. Y. 10023

Early November - 82

Dear Karl

I did the Leavitt letter.
I hope their committee will really
study your case. Good luck. You
deserve a break

I've had a break this fall,
or do I mean brake? In any
case I start Juilliard this week —
seven or eight weeks late.

Don't run out of crosses —

Come see us

Never refuse a wooden nichel
