Dear Doctor Stenzel:

You will be interested to know that we have offered Frederickson a position and anticipate that he will be down in the near future to go over the details. Your kind cooperation is greatly appreciated. I told both Dean Barlow and Dean Bolton that you highly recommended Frederickson and they were both pleased.

I hope that you will be available for at least part of the cooperative summer camp. Best regards.

Sincerely yours,

S. A. Lynch, Head
Department of Geology
