Mr. C. C. Church  
15 Montrose Street  
Bakersfield, California

Dear Mr. Church:

Please find enclosed an enlargement taken from the negative of Joseph A. Taff. Perhaps you would be interested in keeping this copy. I would like to keep the negative a little while longer in order to get better enlargements from it.

Please accept my thanks for your manifold help in San Francisco. Without your help all this would have been impossible to achieve. I regret very much I missed the luncheon engagement with Miss Rose Taff. She should have been the one to hear how highly I appraise her father's work. She was very gracious to lend me the negative.

I am having a lot of trouble with an acute attack of gout which showed up at the end of the trip in California. Recovery is very slow.

With best regards,

Sincerely,

H. B. Stenzel
