Professor Ernst Cloos
Geology Department
Johns Hopkins University
Baltimore, Md. 21218

Dear Ernst:

Thank you for sending me a copy of your last paper.
I had read it already with considerable interest.

As to your remark "Watch out or you'll move into the
Gulf of Mexico", there is absolutely no danger because we
have a very alert Geology Department here. Besides, if
you live here for more than a year, you grow webbed toes and
learn how to live in a swamp environment.

With best wishes
Sincerely

H.B. Stenzel
Visiting Professor
